

Uniform Policy

Aims and Vision

The Governors of Hatton Hill Primary School have a clear expectation that children will wear school uniform for the following reasons:

- to foster respect and pride in appearance;
- to help establish a positive attitude to school;
- to differentiate between leisure and school time and associated expectations;
- to help reinforce the sense of belonging and corporate identity;
- to encourage children to recognise what the outside world expects;
- to prepare children for secondary school.

High standards of dress are considered to be very important. School uniform is practical, allows for ease of recognition, avoids discrimination and adds to pupils' sense of belonging and self-respect.

The school colours are royal blue, charcoal grey, white and black.

School Shoes

School shoes should be smart, functional and protect little feet. It is also important to us that families are not put under any pressure to purchase expensive trendy brands of trainer. We understand that some shoe shops will include 'unacceptable' shoes in the school section, but it is your responsibility to ensure you purchase the correct footwear. Here are some examples of acceptable and unacceptable footwear.

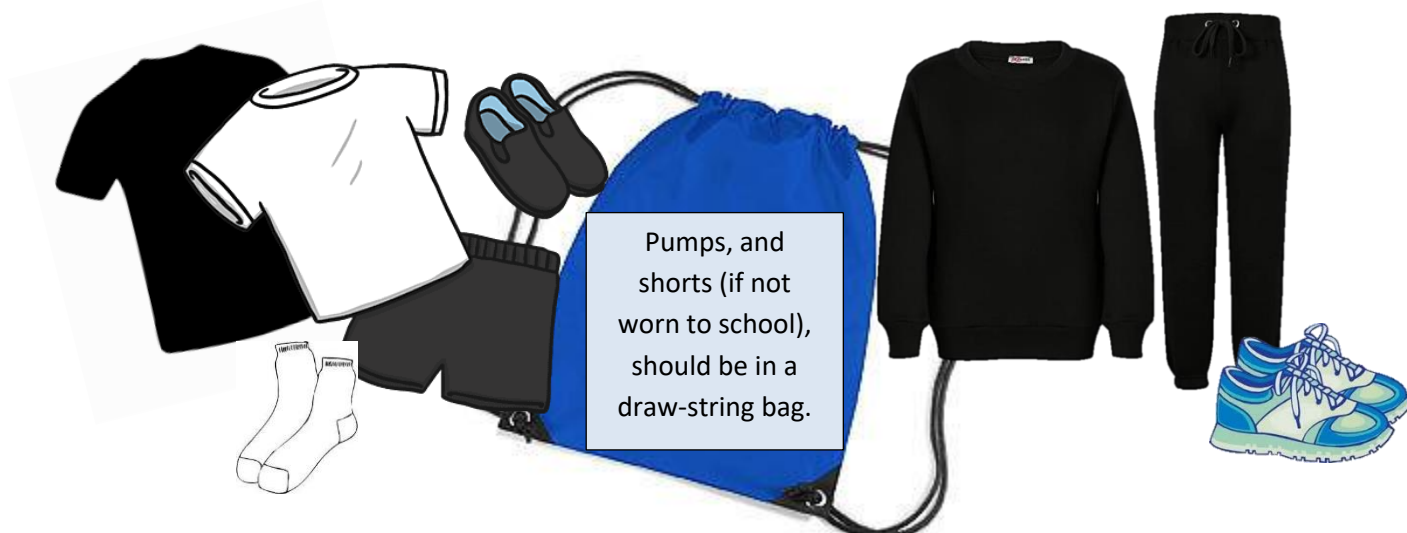

Please note that the acceptable footwear is a shoe (not boot), which is comfortable, waterproof and protects/ supports the foot for life at school, including childhood running games on the playground.

PE Kits

Children are asked to come to school in their PE kits on their PE days. Please note that for health and safety reasons teachers are not permitted to teach PE to children who are wearing incorrect clothing or footwear. We have to be very strict about correct kit so that all children are safe.

Specialist footwear for games (e.g. football boots) will only be recommended to parents if the use/expense is justified. Children in Year 4, 5 and 6 who have swimming lessons will be told about appropriate swimming kit before lessons commence.

Swimming Kit

Fitted swimming trunks and one-piece swimsuits should be worn for swimming lessons. Long or baggy shorts or bikinis are not appropriate. For safety reasons, all jewellery (including earrings) should be removed and children must all wear a swimming hat.

If parents choose, children can wear goggles. Staff accompanying children to swimming lessons must be vigilant as there is a slight health and safety concern linked with children putting on and taking off goggles.

Care of Clothing

Please mark all items of clothing with your child's name.

Jewellery

Children should not wear makeup, nail varnish or jewellery. Watches may be worn at parents' own risk but must be removed for all sporting activities. Small stud-type earrings may be worn but the school will not accept responsibility where such items become damaged or lost or cause personal injury. Children must be able to take these out for themselves for PE activities (or provide surgical tape to cover them over) for safety reasons. Earrings must be removed for swimming.

Lost Property

Unmarked lost property is stored in school and disposed of at the end of each term. Parents wishing to locate lost items should enquire at the school office before or after school.

Cosmetics

Nail varnish, make up and tattoo transfers are not permitted.

Funding Uniform for Parents

Where parents are experiencing financial hardship, the school is able to offer good quality second-hand uniform or assist financially where this is not possible. Please speak to Mrs Hickey, Learning Mentor in confidence.

Equality Statement

At Hatton Hill, we actively seek to encourage equity and equality through our teaching. As such, we seek to advance the equality of opportunity between people who share any of the following

characteristic: sex; ethnicity; disability; religion or belief; sexual orientation; gender reassignment; pregnancy or maternity.

The use of stereotypes under any of the above headings will always be challenged.

Inclusion

Our school is an inclusive school. We aim to make all pupils feel included in all our activities. We try to make all our teaching fully inclusive. We recognise the entitlement of all pupils to a balanced, broadly-based curriculum. We have systems in place for early identification of barriers to their learning and participation so that they can engage in school activities with all other pupils. We acknowledge the need for high expectations and suitable targets for all children. Parents should support this by ensuring their child(ren) wear the correct uniform at all times.
