Dear Parents and Carers,

Red Nose Day: There has been a glorious splash of colour across the school today as we raised money for this excellent cause. Congratulations to the children who won their class's chocolatey cupcake prize, and a big thank you to Mrs Maher, star baker, for donating them to our appeal.

Parent and Teacher Meetings: It was a pleasure to welcome parents into school on Tuesday and Wednesday for our parents' meetings. Sharing your child's progress and achievements with you is one of the highlights of the school calendar. We hope that you enjoyed looking at your child's work and hearing from their classteacher. Thank you for the positive feedback we received which is always a huge boost to morale.

Attendance: The biggest barrier to achievement in our school remains poor attendance. We expect children's attendance to be above 96% even with normal childhood illness. During parents' meetings your classteacher will have shared with you your child's registration certificate which clearly shows when your child has missed school. If your child's

% attendance in a school year	Days of absence in a school year	Weeks missed in a school year
98%	4	Less than 1 week
95%	9.5	Almost 2 weeks
90%	19	Almost 4 weeks
85%	28.5	Almost 6 weeks

attendance falls below 90%, you should expect to be challenged. It is every child's right to receive an education, as such schools are expected to pursue and address poor attendance. That said, our main aim is to support you, so if you are struggling to get your child to school, please let us know what the issues are. Mrs McLoughlin, our Attendance Officer, and Mrs Hickey, our Learning Mentor, are there to help.

World War II Day: Year 5 had a fantastic time furthering their learning of WWII this week. They arrived in school in clothes authentic to the period. Children then tasted some of the limited foods which families would have eaten during war time and played traditional children's games; as well as designing and making air-raid shelters. Thank you to our teachers for organising this special day and to parents for supporting it. Ongoing conflict around the world reinforces the importance of learning about the horrors and impact of war. Photos of World War II Day are available on our website.

Class Charts: The Class Charts shop for Years 1 to 6 is now open for children to spend positive behaviour points. The shop will close at 9.00am on 26.03.24 with prizes delivered later that week. Children in Nursey and Reception do not access Class Charts as they are given immediate rewards which are more appropriate to their young age. We really value children's hard work as well as good behaviour, kindness and manners. Thank you.

Yours faithfully,

Mrs Anna James
Headteacher
