

National Curriculum

Pupils should extend their knowledge and understanding beyond the local area to include the United Kingdom and Europe, North and South America. This will include the location and characteristics of a range of the world's most significant human and physical features. They should develop their use of geographical knowledge, understanding and skills to enhance their locational and place knowledge.

Core Vocabulary			
seasonal	agriculture	yield	distribute
marshlands	arable	pastoral	graze
forests	harvest	plough	ripen
local	fertiliser	pesticides	organic
pastures	dairy	processed	manure
growing season	hedges	flocks	shorn
