## Explore food packaging and use structures to design and make a

## <u>new sweet</u>

## Year 3 Design Technology

## **Curriculum Objectives:**

- To communicate ideas and apply knowledge to own design
- To know how to use materials and structures to create a new sweet design
- o To select and use tools safely

	Key Vocabulary		
design	strong	prototype	
sketch	material	joining	
durability	functional	appealing	
colourful	presentation	flavours	
	Creation of the second		
Intents		Pupil	Teacher
I can investigate and analyse	a range of existing products.		
I can use research to develop	design criteria and inform my
