

Music

Lower Key Stage Two

Throughout Lower Key Stage Two pupils will participate in and practise the following skills:

Become familiar with a piece of classical music

Learn to play a musical instrument for at least a term

Listen to an orchestra e.g. secondary school orchestra, visiting ensemble

Take part in a music performance e.g. mass choral/instrumental event, school concert

Compare different musical genres

Improvise a simple melody using two or more notes

Play an ostinato accompaniment to a song or piece of music

Memorise and sing a song with verse and chorus structure

Compose a piece of music selecting and using a variety of sounds

Play a simple piece of music using a musical score e.g. music symbols or graphic notation
