

Music

Upper Key Stage Two

Throughout Upper Key Stage Two pupils will participate in and practise the following skills:

Listen to music from different periods of history

Perform in a massed choir or school concert

Continue to learn an instrument or attend an extra-curricular music club

Listen to and explore aspects of a live performance e.g. Liverpool Philharmonic

Compose a piece of music using changes in tempo (fast/slow)

Play or sing a piece of music following musical notation

Use digital technology to create and alter sounds e.g. GarageBand, Audacity

Perform a song or play an instrument musically, and with expression

Play or sing a piece of music with two parts

Discuss different styles of music using musical vocabulary
