

TAG-RUGBY

This term, we develop our invasion skills by playing tag-rugby. We will continue to work as a team collaborating and communicating effectively to encourage strategy and logic. By working as team, we will work on improving our skills in throwing and catching whilst moving with the ball. Also, will recognise not only own success but our fellow teammates.

Key Vocabulary				
teamwork	passing	backwards	space	listening
endurance	movement	side-to-side	organisation	talking
resilience	forwards	running	communication	awareness
