

# COMPUTING

## Online Safety

**National Curriculum:** use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.

**Strand: Health, Well-being and Lifestyle**

**Intent:** I can explain why some online activities have age restrictions, why it is important to follow them and know who I can talk to if others pressure me to watch or do something online that makes me feel uncomfortable (e.g. age restricted gaming or web sites).

Key Vocabulary			
technology	setting	public	online
environment	online	age-restricted	

Intents	Student
I can explain simple guidance for using technology in different environments and settings e.g. accessing online technologies in public places and the home environment.	
I can say how those rules / guides can help anyone accessing online technologies.
